**Appendix A** — Canada-United States Tax Treaty

**International Taxation in Canada** takes you on a journey of understanding Canada's international tax regime.

Over time, Canada's international tax laws have become more and more complicated. This unique book provides an understanding of the main principles and practices that frame international tax rules, which will assist you when confronted with the seemingly endless tax complexities of cross-border transactions, along with an appreciation of how foreign tax laws interact with their Canadian counterparts.

## Key Features & Benefits

- **Emphasis on the policy aspects** associated with international tax law — offering a deep understanding of the usefulness (or not) of the technical tax rules
- **Tables and charts** to help highlight the key themes and building blocks of the international tax system — providing easy reference to the more detailed discussions in the text of a particular regime
- **Written in easy-to-understand language** — explaining the difficult technical rules
- **Authors** combine their academic and professional **expertise** in presenting the material
- Covering **HOT international tax issues**, such as GAAR and treaty abuse
- **Topical and analytical** — the authors don't just describe the rules or issues, they share their understanding and analysis of international tax principles and practices
- **Problems and case studies** to fully explore more recent developments in the area of international tax law in Canada

**International Taxation in Canada** is divided into five parts to guide you on your journey through the challenges presented by international tax law:

1. Fundamental elements of Canadian international taxation
2. Inbound taxation
3. Outbound taxation
4. Tax Avoidance and administration
5. Other issues

## Of Interest To

- Tax practitioners
- Judges
- Tax law professors
- Students in law, accounting and business

The first comprehensive publication on Canadian international tax law which ties together the main aspects of this area of law. Order your copy today.

## About the Authors

**Jinyan Li, LL.B. LL.M., D.Jur.**, is a professor of Law at Osgoode Hall Law School of York University and a senior research fellow of the Taxation Law and Policy Research Institute, Deakin University, Melbourne, Australia. She served as a legal consultant to the International Monetary Fund (IMF), the Organization for Economic Cooperation and Development (OECD), Auditor General of Canada, Department of Justice of Canada, as well as to several leading law firms.

**Arthur Cockfield, B.A., LL.B., J.S.M., J.S.D.**, is the Associate Dean and an Associate Professor at Queen's University Faculty of Law where he was appointed as a Queen's National Scholar. Before coming to Queen's, he worked as a lawyer in Toronto and as a law professor in San Diego, and was listed in 'Who's Who among America's Teachers.' He has lectured at conferences and universities in Canada, the United States, Japan and China.

**J. Scott Wilkie, B.A., LL.B.**, is a Senior Partner in the Taxation Department of the Toronto office of Osler, Hoskin & Harcourt LLP. He is one of the highest profile tax practitioners in Canada with particular expertise in international taxation, corporate taxation, taxation of financial transactions and transfer pricing.
